New for 2019! Lodging Info

Each participant is responsible to arrange their own lodging.

Because of rising hotel costs, We Care has decided to give our volunteers the freedom to choose the hotel value they desire. **Hotel options with reserved blocks of rooms are listed on pages 3 & 4.** These blocks are limited in size and will expire after December 26, 2018. For the best chance of getting a room at the listed price, we encourage you to book early.

You are not limited to the hotels we suggest but are welcome to stay at any hotel in your area of service which meets your personal budget and quality needs. *We recommend booking your hotel rooms in such a way that you are able to cancel them if your plans change.*

For those who wish to room with others to reduce the cost, we encourage you to partner with friends coming from your area. However, if your connections are limited, you can contact our office to find out ways you can connect with other volunteers. You can also let us know if you are willing to offer a shared room. While we are not able to guarantee availability, we'll do our best to connect those who might be interested in this opportunity.

If you have questions regarding your lodging alternatives, please let us know and we will do our best to point you in the right direction. **Thanks for your grace and understanding as we make this transition.**

The following list of hotels have limited blocks of rooms that can be reserved for ReNew Hope. Please contact these hotels directly to make your reservations. The blocked rooms are on a first-come-first-serve basis, so be sure to make your reservation early. You are not required to stay at a hotel on this list, but may choose to stay at whatever hotel works best for you. The following hotels are simply some of those available in each area and are the ones where We Care has negotiated a rate. Regardless of where you stay or how you book a hotel, we highly encourage you to make sure you can cancel your reservations in the event that your plans change.

Group name for blocked rooms is We Care Program / ReNew Hope 2019.

These blocks expire after December 26, 2018
